Your Brother Abu ‘Abdullah Al-Kuwaiti;
1- Announcing publicly the next attack.
2- Announcing publicly that we gave some groups the green light to move.
3- The groups that are present in America and Europe are above suspicion.
4- We obtain our intelligence information from your government and intelligence agencies.
5- The statement/letter should be directed to the American people.
A- There is no animosity between us. You involved yourselves in this battle. The war is between us and the Jews. You interfered in our countries and influenced our governments to strike against the Moslems.

If the American people are ready to die as we are ready to die, then our combat groups along with our military, nuclear, and biological equipment will kill hundreds of thousands of people we don’t wish to fight.
B- If you are ready to die as we are ready to die, the thousand present here in Afghanistan equals hundreds of thousands of Americans. I am pleased to inform you that the billions you spent fighting us so far have resulted in killing a small number of us. We consider them martyrs and they did not exceed (10) martyrs. We warn you that our war against you has not ended, but its effects will increase. Isn’t it time to end American arrogance and begin listening to your people before you experience more devastating disasters?

On the benefit of safeguarding, mention the benefit of fasting and praying in the month of Ramadan. Mention a verse on the benefit of unselfishness; the benefit of reciting the Holy Koran and the benefit of martyrdom. What is the reward of saying Glory to God and repeating it 5 times, or bench pressing 50 times; reciting a verse of the Holy Koran or a poem?

In the Name of God the Merciful the Compassionate

I felt alive again when I saw you, and felt my heart pulse when I spoke with you. I love you as the pure water, as the running river, and as the blooming spring roses.
I love you in a way Qais and Laila did not feel; do you perhaps love me as I love you!

Signed:
Salman Yahya Hasan Mohammed Al-Rabi’i
